Greetings

The mission of Karen Baptist Convention's Care and Counseling Department covers many sectors, and among them, Orphan Care is one of the important sectors. Under the supervision of Care and Counseling Department, there are eight orphanage care shelter as members and one affiliate orphanage care shelter. We have seen that there are many children who have difficulty to pursue formal education. Some are parentless and some have parents, but due to poverty, they cannot support their children to receive education.

For this reason, Care and Counseling Department organized Orphanage Care Committee and support the children who are living in orphanage centers. This work cannot be done by one person and the needs cannot be fulfilled by one group, and so we need to unite and work together. As Jesus said, **"Whatever you did for one of the least of these brothers and sisters of mine, you did for me. Matthew 25:40"**, I hope that you will imitate the ways of Christ through supporting the orphanage care works. We need your kindness, your care, your support and your collaborations.

On behalf of Karen Baptist Convention, let me express my heartfelt thanks to the co-workers (local and abroad) who have rendered their supports to our orphanage care works. I believe that you will receive the blessings of God throughout your life because of what you have done to the needy. The Bible says, **"When you give to the poor, it is like lending to the Lord; and the Lord will pay you back"**. Prover 19:17.

PROLOGUE

Orphan Care is one of the five branches of Care and Counseling Department of Karen Baptist Convention (KBC). The activities are implemented by Associations of Churches and supported by member churches based on the needs and strengths of the churches. We are thankful to all the associations and member churches for their love and care to these orphans. They have provided shelters, food, care, and education to these children. Spiritual nurturing is the most important requirement for their lives. We also have donors and well-wishers who have supported us for many years. We value the

friendship and partnership with them. Our Lord and Savior Jesus Christ loves all the children and accepts them as members of the Kingdom of God.

Since the children are our heritage from the LORD and the orphans are the members of the Kingdom of God, we have to do our best in caring for these orphans. We are thankful especially to the responsible persons and teachers who have dedicated their bodies and minds, thoughts, ideas, strengths and even tears in caring for orphans days and nights, since the work has great responsibilities as well as so many demands and challenges. Above all else, we are grateful to God for His blessings and guidance in this ministry. May the Lord bless each and every one of these orphans so that they will be able to feel the love of God, His power, grace, salvation and become great and precious individuals for the glory of God.

### Introduction

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort.” 2 Corinthians 1:3  
I thank God for allowing me to do Care and Counseling, one of God’s services. Of the many activities, I am grateful to the people who have somehow funded the care of the orphans. The people of God have carried out and will continue to carry out this mission and like flowers, these sons and daughters will continue to bloom and bring forth their fragrance to the world. We are indeed very grateful to all the coworkers. May God shower His blessings upon you all! Let us join hands together and nurture the least among us to thrive and be successful!
